Dear Mr. Regulski:

Re: Return of Original Reclamation Contract and Surety Bond, Pagano Clay Project,  
M/015/062, Emery County, Utah

Please find enclosed the original Reclamation Contract and Surety Bond submitted to the Division by East Carbon Constructors, for the Pagano Clay Project. The Division has received an updated and re-executed version of these documents from Mr. Harold Marston. Please return the Surety Bond to the Surety Company, so that there will be no duplication of bonding for the \$3,700 which Jay Pagano Estate is responsible for.

Please call me if you have questions.

Sincerely,

Holland Shepherd  
Senior Reclamation Specialist
